Many Items on this page are made from reclaimed lumber from old barns torn down across the Midwest. The species of wood will vary as will the tones. In general, we recommend a clear finish on the reclaimed wood, but stains can be applied to even out the colors. Variation in wood tones is natural and NOT a factory defect.

Swinging Bed

BWSWING-L
Hoop on Left

BWSWING - Broadview Swinging Buck Bed

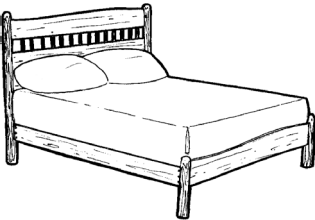

Includes 5" thick contoured mattress with zippered cover. Pillows are sold separately. Also includes four 10' long black powder coated heavy duty chains, and all associated hardware other than hooks. Customer is responsible for providing and hanging hooks from sturdy and properly supported beams or posts. The swing when empty weighs approximately 250 pounds, so customer's hooks should be able to withstand 500-1000 pounds.

Kenai Platform Bed											
Kenai Platform Beds feature an ultrasoft upholstered headboard that mounts to the wall and a black painted solid wood platform that includes bunky boards so that no box spring is necessary. The upholstered headboard can use any fabric or leather and comes standard with a decorative metal "hanger" and decorative saddle leather straps. Any color of Saddle Leather can be chosen.
